- Expectativas para o futuro?

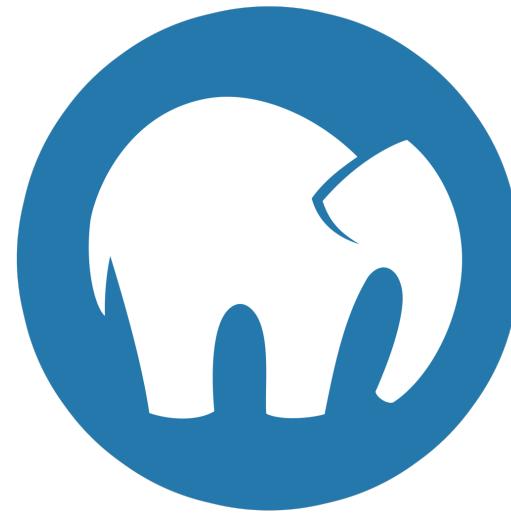

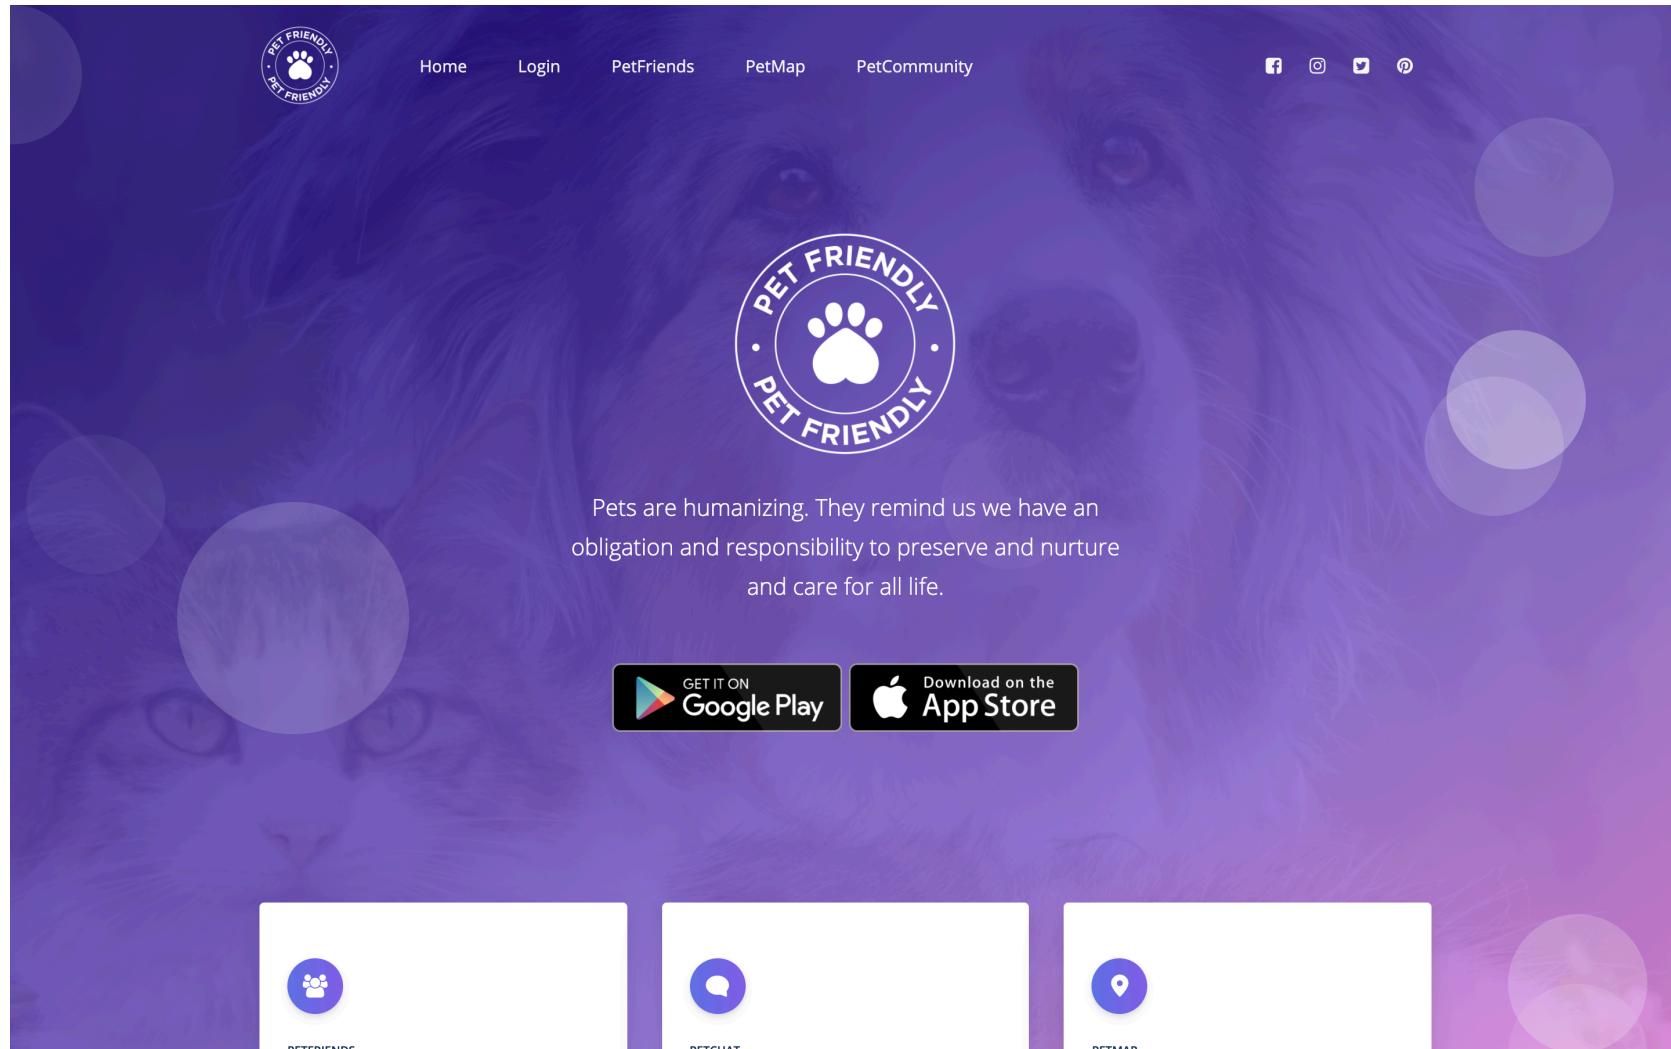

Programação para a WEB – servidor (server-side)

The image shows the homepage of the Petfriendly website. The background features a large, slightly blurred photograph of a dog's face. Overlaid on the top left is a circular "PET FRIENDLY" logo with a paw print in the center. At the top right, there are social media icons for Facebook, Instagram, Twitter, and Pinterest. The top navigation bar includes links for Home, Login, PetFriends, PetMap, and PetCommunity. In the center, there is a quote: "Pets are humanizing. They remind us we have an obligation and responsibility to preserve and nurture and care for all life." Below the quote are download links for Google Play and the App Store. At the bottom, there are four white rectangular cards with icons: PetFriends (paw print), PetChat (speech bubble), PetMap (location pin), and PetCommunity (person icon).
